

## **Education and Academics**

- Advocate for the creation of a textbook affordability program open to all professors, allowing them to opt-in and create their own e-textbooks, decreasing textbook prices.
- Offer Test-Prep classes for graduate entrance exams including, but not limited to, LSAT, MCAT, and GRE as a UCF course.
- Advocate to make Spirit Splash, UCF's largest tradition, a campus-wide holiday by canceling classes and adjusting testing schedules.
- Enhance the student experience in the library by adding vending machines and free printing stations in the library.
- Offer more scholarships for graduate students.
- Create and implement academic workshops for transfer students that provides an informational session on transferable credits in order to ease their transitional period.

## **Disciplinary**

- Implement an "innocent until proven guilty" standard within the Office of Student Conduct.
- Work with the Golden Rule Review Committee to address disciplinary first-time offenses as warnings.

## **Housing and Residence Life**

- Advocate for student friendly policies within the Department of Housing & Residence Life in the event of an emergency move-out for health, financial, or personal reasons.
- Extend move out dates to incorporate finals week and winter break for out of state students at no cost to students. Advocate for move-out extensions at no additional cost to students.

## **Student Involvement and Engagement**

- Create a scholarship for students to help pay for their laundry.
- Advocate for the expansion of Knightro's Suits, a suit rental program in Knights Helping Knights Pantry.
- Implement a feature on the UCF Mobile App that encompasses student involvement and opportunities on campus.
- Create away-game watch parties to establish new UCF sports traditions.
- Repurpose Nightmare as the official student athletics board under Student Government.
- Work with the Recreation and Wellness Center to extend business hours for the leisure pool and offer guest passes for students.
- Advocate for campus-wide discounts for veterans.
- Create a campus-wide Heritage Week in collaboration with RSOs to honor the spirit and diversity of UCF.
- Devote a moment of silence during the Spring Football game to honor our UCF Eternal Knights and their families.

- Create a Senior Send-off tradition where seniors gather on the football field to take a class photo.

### **Health and Sustainability**

- Organize the Student Health Outreach Team (SHOT) that serves as a bridge between the Student Health Center, CAPS and the student body to coordinate communication campaigns, planning events, developing health initiatives and promotion.
- Partner with Orlando Health to offer students at the downtown campus SANE Nurses and Rape Examination Tests at no charge.
- Create and implement the “Swipe out Hunger” initiative in collaboration with UCF Dining Services.
- Advocate for an expansion of Counseling and Psychological Services.
- Create a scholarship in collaboration with UCF Cares targeted towards students in financial distress.
- Advocate for healthier food options on campus, including vegan and gluten free options.

### **Campus Improvements/ Regional Campuses**

- Advocate for food options at the Rosen Campus.
- Improve the Student Union game room by adding digital games and create game rooms at Downtown and Rosen campuses.
- Advocate for the creation of LGBTQIA+ Services / Pride Commons to Downtown campus.
- Advocate to add gender neutral bathrooms throughout UCF’s multiple campuses.
- Implement hammock and sport equipment rentals at the UCF Downtown Campus to commemorate the opening of Central Park.
- Add water fountains and recycling bins along Memory Mall.

### **Transportation**

- Host “Food for Fines”, a week-long initiative where students can turn in canned goods that are donated to Knights Helping Knights Pantry to replace their parking tickets.
- Create a “KnightLife” program, a bus that transports students to Knight’s Library and Knight’s Pub to ensure the safety of students.
