3. This form must include no less than six (6) questions and no more than twelve (12) questions.

806.4 Upon collection of program evaluation forms, ORC will recommend, by majority vote, whether or not A&SF monies should be used to fund the program in the future. ORC will forward its recommendations to the A&SF Budget Committee and keep a log of these recommendations for future reference.

806.5 If the Operations Review Committee finds a deviation from the intended use of A&SF funds, it will report such findings to the Student Senate and Student Government Comptroller for further action.
